

# UMAR KHAN

## Front End Developer

✉ umaraamir959@gmail.com 📍 karachi, Pakistan

## SUMMARY

Dedicated MERN Stack Developer with one year of valuable internship experience at SMIT. Proficient in designing, developing, and maintaining web applications using cutting-edge technologies. Adept at front-end and back-end development, with a strong focus on creating user-friendly and responsive interfaces. Skilled in optimizing web applications for performance and security. A quick learner, team player, and problem solver who is passionate about staying up-to-date with the latest industry trends and best practices. Excited to contribute my expertise to a dynamic team and take on challenging projects in the field of web development.

## EXPERIENCE

### Junior MERN Stack Developer with 1Year SMIT Internship Experience

#### SMIT

📅 2022 - 2024 📍 Krachi

Saylani Mass IT Training (SMIT) is a leading institution offering high-quality IT education and practical skills development.

- Highly motivated Junior MERN Stack Developer with a solid foundation in web development, gained through a year-long software development internship at SMIT
- Proficient in front-end and back-end technologies, with hands-on experience in building robust, responsive web applications using the MERN stack (MongoDB, Express, React, Node.js).
- Skilled in creating interactive user interfaces and optimizing web performance, well-versed in modern web development best practices.
- Collaborated with cross-functional teams to ensure timely delivery of project milestones.

### Frontend Developer Intern

#### 3Const

📅 11/2023 - 01/2024 📍 Karachi

Completed a 2-month internship as a Frontend Developer, focusing on ReactJS to build and enhance web application features.

- Developed and maintained front-end features using ReactJS.
- Collaborated with the development team to design and implement new features.
- Assisted in debugging and optimizing the performance of the application.
- Gained hands-on experience in modern web development practices and tools.
